

The Country's Best Hot Cocoa

At Trademark Grind (38 West 36th St.) baristas have whipped up an over-the-top hot chocolate with cacao rouge, your choice of skim, almond or soy milk, and torched meringue. The concoction is topped with the signature “doffle,” a doughnut waffle mashup. So the pastry is *in* the hot chocolate. What else could you possibly want, people? Trademark Grind's Doffle Hot Chocolate is available for \$8.
